The Treehouse Log

Dear Parents,

The Spring 2010 Semester schedule is out! Stop by the front desk to pick up our new brochure and Spring schedule. Everyone's favorite classes are still being offered as well as many new ones that I'm sure you and your children will love. Don't forget to register early and take advantage of our early bird special.

This spring your little one can enjoy 10 free playground passes when they register to any of our spring classes. So after your class you can stay and play in the playground, making your class day an outing at Orly's Tree-

house.

For those of you who are looking to enjoy our unlimited playground passes which includes babysitting services and our popular *Drop N' Go* program, check out our new *Relax & Rejuvenate* or *Play & Party* Memberships.

During the spring school break we are offering our popular Mini Camp program. So if you are looking for something fun for your kids to do during the break, we have the answer!

We have begun registration for our

Summer 2010 Camp. This year our campers will get to enjoy playing in our newly renovated outdoor playground which was built with the help of all the Treehouse Academy parents who participated in the Aunt Anne Pretzel fundraising. Thank you all for your help and support.

Finally, I would like to wish you and your families a happy and safe Easter and Passover!
